**NARRATIVE**

I, Officer K. Patterson, DSN 4756, with the St. Louis County Police Department currently assigned to the Division of Patrol- North County Precinct, wishes to report the following:

On September 30, 2019, at approximately 0836 hours, I responded to a report of a shot fired call at the apartment building known and numbered as 11149 Riaza Square. The call was generated by a Shotspotter activation. The following officers were also attached to the call arriving in full duty uniform:

P.O Bell, DSN 4768  
 P.O Johnson, DSN 477

Saint Louis County call notes indicated the following:

- SHOT SPOTTER ACTIVATION
- ONE SHOT HEARD

Upon arrival in the area, I observed a red vehicle currently idling, parked in front of the aforementioned address. The vehicle was described as a:

2014 Nissan Sentra  
 MO plate: VA3-J2U  
 Color: red

The vehicle was occupied by one (1) black male driver and was the only vehicle in the immediate area. I activated my emergency lights and pulled behind the aforementioned vehicle.

I exited my patrol car in full Saint Louis County Police attire, and made my way towards the red Sentra. As I approached, I observed the sole occupant exit from the driver's door, and quickly walk towards the apartment building located to the east.

I advised the male driver that I was conducting an investigative stop and asked him to return to his vehicle. The male was later identified by his Missouri operator's license as Ervin, Hill (B/M, DOB: 11/25/1976)

19-46342

I advised Hill that I had reports of shots fired in the area and asked if he (Hill) had heard anything. Hill stated, "No, I've just been parked here waiting for my girl."

Hill was extremely nervous and unable to make direct eye contact. When Hill was asked if he (Hill) was currently carrying a firearm, or if there was a firearm in the vehicle, Hill refused to reply. A terry frisk was conducted on Hill with negative results.

PO Johnson and PO Bell arrived on scene during this time.

While PO Johnson and PO Bell spoke with Hill, I conducted a visual inspection of the inside of Hill's vehicle through the open driver's window. While doing so, I observed, in plain view, a brass shell casing lying on the front driver's side floor board. It should be noted that I also smelled what I believed to be burnt marijuana emitting from inside the suspect's vehicle.

A record check was conducted, at which time I discovered that Hill was the registered owner of the suspect's vehicle.

I advised Hill that I would be conducting a search of the inside of his vehicle based on the spent shell casing and possible narcotics use.

A search of Hill's vehicle concluded the following:

1. Century Arms 9mm, loaded with one (1) "live" 9mm round of ammunition located in the barrel making the firearm in question capable of lethal use. An attached extended magazine attached loaded with twenty-four (24) "live" 9mm rounds of ammunition. (Record check concluded no theft on firearm)

- The firearm in question was located between the front driver's seat and center console.

2. Black round container

- Containing a clear plastic baggy with approximately twelve (12) grams of purported marijuana.

-Additional purported marijuana weighing approximate twelve (12) grams unpackaged.

-Located in cup holder next to front driver's seat.

3. Clear round container

Date/Time Printed: 10/21/2019 10:44:26  
Printed By / Reason: 4398 / brannan 4398

19-46342

-containing purported "crack" cocaine

-Additional unidentifiable purple pill located at bottom of container.

-Located in the center console, next to the front driver's seat.

I returned to Hill and advised him he (Hill) was being placed under arrest for the formal charges of Felon in Unlawful Use of a Weapon and Possession of a Controlled Substance. Hill was handcuffed behind his back (checked for proper fit) and secured in the front seat of my fully marked St. Louis County Patrol vehicle (A173).

Hill was advised of his rights per Miranda, at which time Hill stated he (Hill) understood and did not wish to make a statement.

All aforementioned items were seized and later entered into evidence under evidence log #39618.

The firearm was entered as seized under teletype #517.

Hill was transported to the First Precinct (11815 Benham Road) and charged with the following:

1. Deliver/Possession of a Controlled Substance
2. Unlawful use of a Weapon

Hill was later transported to Saint Louis County Intake a released pending application of warrant.

Any further information will be added in a supplemental report.

Nothing further.
